

Dear Community and Campers,

We are thrilled to announce that Peirano's is coming soon to take over the beloved Faria Beach Market! We wanted to take a moment to introduce ourselves and share our excitement about bringing our family-owned operations to the beach you all love so much.

Peirano's has been a labor of love for our family for many years. We have always believed in creating warm and welcoming spaces where people can come together, enjoy good food, and make lasting memories. The opportunity to be a part of the Faria Beach community and serve you all is an absolute honor.

Our team is committed to providing a unique and exceptional experience for every guest who comes our way. From the moment you step into the space, we want you to feel like a part of our extended family. Our menu will feature a variety of delicious offerings, prepared with care and (eliminate the word using) quality ingredients, ensuring that everyone will be satisfied!

But beyond the food, we value the importance of community. We can't wait to get to know each and every one of you personally. We believe that the heart of any establishment lies in the people it serves, and we look forward to building connections, fostering friendships, and becoming an integral part of this beautiful beach community.

Whether you're a local resident or a visitor enjoying your time at the campgrounds, we invite you to join us at Peirano's Beachfront Cafe when we open our doors. We are eager to hear your stories, share laughter, and create memorable experiences together.

We will keep you updated on our progress as we work diligently to prepare the space for the grand opening. Stay tuned for announcements and special events leading up to the big day!
