CONSUMER NOTIFICATION LETTER

BACTERIOLOGICAL SAMPLING FAILURE

Dear Consumer:

The (name of the water supplier) failed during the month of _____ to collect the minimum number of bacteriological samples required in the California Domestic Water Quality and Monitoring Regulations. All water suppliers must sample the water they serve on a regular basis to show that the water is of acceptable bacteriological quality.

We have now made arrangements to ensure that sufficient bacteriological samples will be collected.

No special precautions are necessary on your part.

This notification of the public is being provided in compliance with the California Domestic Water Quality and Monitoring Regulations as a means of keeping the public informed.

If you have any questions, please call (name of water supplier) at (area code/telephone number).
