**CONSUMER NOTIFICATION LETTER**

**INORGANIC CHEMICAL SAMPLING FAILURE**

Dear Consumer:

The \_\_\_\_\_ failed to collect a inorganic sample as required in the California Domestic Water Quality and Monitoring Regulations. All water suppliers must sample the water they serve on a regular basis to show that the water is of acceptable chemical quality.

We have now made arrangements to ensure that sufficient inorganic chemical samples will be collected.

This notification of the public is being provided in compliance with the California Domestic Water Quality and Monitoring Regulations as a means of keeping the public informed.

If you have any questions, please call (name of the water supplier) at (area code and telephone number).
