

HERE FOR CALIFORNIA CAREGIVERS

SEIU 2015

During the current State of Emergency, in order to protect the health of providers and consumers, we are closing our office to in-person visits.

Your union will continue to provide you with the support you have come to expect. We ask that in this moment, you communicate with us by phone or text instead of in person.

**CALL OR TEXT (909)454-6814
